WIL to Run is an annual event sponsored by the Women In Law Association at the University of South Carolina School of Law. Women In Law is a student-led organization that seeks to encourage students as they enter the legal profession. We provide opportunities for our members to learn about the legal profession from women lawyers. We serve others, particularly in areas benefiting women. We foster a community to support students through law school and into their careers. Find us on Facebook at www.facebook.com/UniversityofSouthCarolinaWomenInLaw.
