**LEARN MORE ABOUT THE
USATF SAFESPORT PROGRAM**

For the safety of athletes, particularly our youth athletes, USA Track & Field has committed to providing a safe environment in which our athletes compete and train. We believe this is paramount to the success of all our programs.

The United States Olympic Committee (USOC) has recommended USATF implement the program in 2014 and it will be required of all Olympic national governing bodies (NGB's) by 2015. Coupled with our Coaches Registry, our goal is to gain awareness and protect the participants in our sport at all levels, but particularly those athletes who are 18-and-under.
