Kaden's story:

On Saturday, May 8th, 2021, Kaden Bagley (15) was involved in an accident while tubing on Lake Murray. He was rushed to Richland Memorial Hospital's Trauma Center and underwent emergency surgery. His right leg was very badly damaged, and his left leg was fractured. Unfortunately, Kaden had to have his right leg amputated at the knee. For more on Kaden's journey and the incredible work of the Jordan Thomas Foundation, please go to:
